Noting that only some specialized agencies and organizations of the United Nations system have been involved in providing assistance to Non-Self-Governing Territories,

Welcoming the assistance extended to Non-Self-Governing Territories by certain specialized agencies and other organizations of the United Nations system,

Stressing that, because the development options of the small island Non-Self-Governing Territories are limited, they face special challenges in planning for and implementing sustainable development, and that they will be constrained in meeting those challenges without the continuing cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Stressing also the importance of securing the resources necessary for funding expanded programmes of assistance for the peoples concerned and the need to enlist the support of all the major funding institutions within the United Nations system in that regard,

Expressing its conviction that closer contacts and consultations between and among the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of programmes of assistance for the Non-Self-Governing Territories concerned,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various decisions of the United Nations relating to decolonization,

Bearing in mind the extremely fragile economies of the small island Non-Self-Governing Territories and their vulnerability to natural disasters, such as hurricanes, cyclones and sea-level rise, and recalling the relevant resolutions of the General Assembly,

Recalling General Assembly resolution 68/97 of 11 December 2013, entitled "Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples",

1. *Takes note* of the report of the President of the Economic and Social Council,[2] and endorses the observations and suggestions arising therefrom;

2. *Also takes note* of the report of the Secretary-General;[1]

3. *Recommends* that all States intensify their efforts within the specialized agencies and other organizations of the United Nations system of which they are

4. *Reaffirms* that the specialized agencies and other organizations and institutions of the United Nations system should continue to be guided by the relevant resolutions of the United Nations in their efforts to contribute to the implementation of the Declaration and all other relevant resolutions of the General Assembly;

5. *Also reaffirms* that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the aspirations of the peoples of the Non-Self-Governing Territories to exercise their right to self-determination entails, as a corollary, the extension of all appropriate assistance to those peoples, on a case-by-case basis;

6. *Expresses its appreciation* to those specialized agencies and other organizations of the United Nations system that have continued to cooperate with the United Nations and the regional and subregional organizations in the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations, and requests all of the specialized agencies and other organizations of the United Nations system to implement the relevant provisions of those resolutions;

8. *Urges* those specialized agencies and organizations of the United Nations system that have not yet provided assistance to Non-Self-Governing Territories to do so as soon as possible on a case-by-case basis;

9. *Requests* the specialized agencies and other organizations and bodies of the United Nations system and regional organizations to strengthen existing measures of support and to formulate appropriate programmes of assistance to the remaining Non-Self-Governing Territories on a case-by-case basis, within the framework of their respective mandates, in order to accelerate progress in the economic and social sectors of those Territories;

10. *Recommends* that the executive heads of the specialized agencies and other organizations of the United Nations system formulate, with the active cooperation of the regional organizations concerned and on a case-by-case basis, concrete proposals for the full implementation of the relevant resolutions of the United Nations and submit those proposals to their governing and legislative organs;

11. *Also recommends* that the specialized agencies and other organizations of the United Nations system continue to review, at the regular meetings of their governing bodies, the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations;

12. *Recalls* the preparation by the Department of Public Information and the Department of Political Affairs of the Secretariat, in consultation with the United Nations Development Programme, the specialized agencies and the Special Committee on the Situation with regard to the Implementation of the Declaration on

the Granting of Independence to Colonial Countries and Peoples, of an informational leaflet on assistance programmes available to the Non-Self-Governing Territories and its updated online version, and requests that they be disseminated as widely as possible;

13. *Welcomes* the continuing efforts made by the United Nations Development Programme in maintaining a close liaison between the specialized agencies and other organizations of the United Nations system, including the Economic Commission for Latin America and the Caribbean and the Economic and Social Commission for Asia and the Pacific, and in providing assistance to the peoples of the Non-Self-Governing Territories;

16. *Recommends* that all Governments intensify their efforts within the specialized agencies and other organizations of the United Nations system of which they are members to accord priority to the question of providing assistance to the peoples of the Non-Self-Governing Territories on a case-by-case basis;

17. *Draws the attention* of the Special Committee to the present resolution and to the discussion held on the subject at the substantive session of 2014 of the Economic and Social Council;

18. *Recalls* the adoption by the Economic Commission for Latin America and the Caribbean on 16 May 1998 of its resolution 574 (XXVII),[4] in which the Commission called for the mechanisms necessary for its associate members, including the Non-Self-Governing Territories, to participate, subject to the rules of procedure of the General Assembly, in the special sessions of the Assembly convened to review and assess the implementation of the plans of action of those United Nations world conferences in which the Territories had originally participated in their capacity as observers, and in the work of the Council and its subsidiary bodies;

Encouraging all States and international organizations to continue to actively pursue policies to ensure respect for their obligations under international law with regard to all illegal Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem, particularly Israeli settlements,

Taking note of the report of the independent international fact-finding mission to investigate the implications of the Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,[7]

Expressing deep concern about the rising incidence of violence, harassment, provocation, vandalism and incitement in the Occupied Palestinian Territory, including East Jerusalem, in particular by illegal armed Israeli settlers against Palestinian civilians, including children, and their properties, including homes, historic and religious sites and agricultural lands, and calling for accountability for the illegal actions perpetrated in that regard,

Gravely concerned by the serious repercussions on the economic and social conditions of the Palestinian people caused by Israel's construction of the wall and its associated regime inside the Occupied Palestinian Territory, including in and around East Jerusalem, and the resulting violation of their economic and social rights, including the rights to work, to health, to education, to property, to an adequate standard of living and to freedom of access and movement,

Recalling, in that regard, the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory[8] and General Assembly resolution ES-10/15, and stressing the need to comply with the obligations mentioned therein,

Expressing grave concern at the extensive destruction by Israel, the occupying Power, of properties, including the increased demolition of homes, economic institutions, historical landmarks, agricultural lands and orchards, in the Occupied Palestinian Territory, including East Jerusalem, in particular in connection with its construction of settlements and the wall and confiscation of land, contrary to international law, in the Occupied Palestinian Territory, including in and around East Jerusalem,

Expressing grave concern also over the continuing forced displacement and dispossession of Palestinian civilians, including the Bedouin community, due to the continuing and intensifying policy of home demolitions, evictions and revocation of residency rights in and around occupied East Jerusalem, as well as measures to further isolate the city from its natural Palestinian environs, which have seriously exacerbated the already critical socioeconomic situation being faced by the Palestinian population,

Expressing grave concern further about ongoing Israeli military operations and policies of closures and severe restrictions on the movement of persons and goods, the imposition of crossing closures, checkpoints and a permit regime throughout the Occupied Palestinian Territory, including East Jerusalem, and the consequent negative impact on the socioeconomic situation of the Palestinian people, in particular the Palestinian refugee population, which remains that of a humanitarian crisis,

Expressing grave concern, in particular, about the continuing crisis in the Gaza Strip as a result of the prolonged Israeli closures and severe economic and movement restrictions that in effect amount to a blockade, and calling in that regard for the full implementation of Security Council resolution 1860 (2009) of 8 January 2009 with a view to ensuring the full opening of the border crossings for the sustained and regular movement of persons and goods, including humanitarian aid, commercial flows and construction materials, and emphasizing the need for security for all civilian populations,

Recognizing the prolonged negative impact of the military operations between December 2008 and January 2009 and in November 2012 on the economic conditions, the provision of social services and the living conditions of the Palestinian civilian population in the Gaza Strip, including as a result of the heavy casualties among civilians, including hundreds of children and women, the internal displacement of thousands of civilians and the widespread damage to homes, vital civilian infrastructure, hospitals, schools, food supply installations, economic, industrial and agricultural properties and several United Nations facilities in the Gaza Strip,

Recalling, in that regard, the relevant United Nations reports, including those of the Economic and Social Council, the Economic and Social Commission for Western Asia and the Human Rights Council,

Expressing deep concern about the short- and long-term detrimental impact of such widespread destruction and the hampering of the reconstruction process by Israel, the occupying Power, on the socioeconomic and humanitarian conditions of the Palestinian civilian population in the Gaza Strip, where the humanitarian crisis continues to deepen, and calling in that regard for the immediate acceleration of the reconstruction process in the Gaza Strip with the assistance of the donor countries, including the disbursement of funds pledged at the International Conference in Support of the Palestinian Economy for the Reconstruction of Gaza, held in Sharm el-Sheikh, Egypt, on 2 March 2009,

Gravely concerned about various reports of the United Nations and specialized agencies regarding the substantial aid dependency caused by prolonged border closures, inordinate rates of unemployment, widespread poverty and severe humanitarian hardships, including food insecurity and rising health-related problems, including high levels of malnutrition, among the Palestinian people, especially children, in the Occupied Palestinian Territory, including East Jerusalem,

Expressing grave concern at the deaths and injuries caused to civilians, including children, women and peaceful demonstrators, and emphasizing that the Palestinian civilian population must be protected in accordance with international humanitarian law,

Emphasizing the importance of the safety and well-being of all civilians, and calling for the cessation of all acts of violence, including all acts of terror, provocation, incitement and destruction, and all firing of rockets,

Expressing deep concern that thousands of Palestinians, including many children and women, continue to be held in Israeli prisons or detention centres under harsh conditions, including unhygienic conditions, solitary confinement, excessive use of administrative detention, lack of proper medical care and denial of family visits and of due process, that impair their well-being, and expressing deep concern also about any ill-treatment and harassment of Palestinian prisoners and all reports

of torture, while taking note of the agreement reached in May 2012 on conditions of detention in Israeli prisons and calling for its full and immediate implementation,

Conscious of the urgent need for the reconstruction and development of the economic and social infrastructure of the Occupied Palestinian Territory, including East Jerusalem, as well as the urgent need to address the humanitarian crisis facing the Palestinian people, including by ensuring the unimpeded provision of humanitarian assistance and the sustained and regular flow of persons and goods into and out of the Gaza Strip,

Recognizing the efforts by the Palestinian Government, with international support, to rebuild, reform and strengthen its damaged institutions and promote good governance, emphasizing the need to preserve the Palestinian national institutions and infrastructure, and commending in that regard the ongoing efforts to develop the institutions of an independent Palestinian State, including through the implementation of the Palestinian National Development Plan 2011–2013 on governance, economy, social development and infrastructure, and the significant achievements made, as confirmed by the positive assessments made by international institutions regarding readiness for statehood, including by the World Bank, the International Monetary Fund, the United Nations and the Ad Hoc Liaison Committee for the Coordination of the International Assistance to Palestinians, while also expressing concern about the negative impact of the current financial crisis being faced by the Palestinian Government,

Commending, in that regard, the important work being done by the United Nations, the specialized agencies and the donor community in support of the economic and social development of the Palestinian people in line with their national development and State-building plan, as well as the assistance being provided in the humanitarian field,

Welcoming the formation of the new Palestinian Government of national consensus under the authority of President Mahmoud Abbas, in line with the Quartet principles, and emphasizing the need for the respect and preservation of the territorial integrity and unity of the Occupied Palestinian Territory, including East Jerusalem,

Calling upon both parties to fulfil their obligations under the road map, in cooperation with the Quartet,

Aware that development and fostering healthy economic and social conditions are difficult under occupation and best promoted in circumstances of peace and stability,

1. *Calls for* the full opening of the border crossings of the Gaza Strip, in line with Security Council resolution 1860 (2009), to ensure humanitarian access as well as the sustained and regular flow of persons and goods and the lifting of all movement restrictions imposed on the Palestinian people, including those restrictions arising from ongoing Israeli military operations and the multilayered closures system, and for other urgent measures to be taken to alleviate the serious humanitarian situation in the Occupied Palestinian Territory, which is critical in the Gaza Strip, and calls for compliance by Israel, the occupying Power, with all of its legal obligations under international humanitarian law and United Nations resolutions in that regard;

2. *Stresses* the need to preserve the territorial contiguity, unity and integrity of the Occupied Palestinian Territory, including East Jerusalem, and to guarantee the

freedom of movement of persons and goods throughout the Occupied Palestinian Territory, including East Jerusalem, as well as to and from the outside world;

3. *Also stresses* the need to preserve and develop Palestinian national institutions and infrastructure for the provision of vital public services to the Palestinian civilian population and to contribute to the promotion and protection of human rights, including economic and social rights;

4. *Demands* that Israel comply with the Protocol on Economic Relations between the Government of Israel and the Palestine Liberation Organization signed in Paris on 29 April 1994;[9]

5. *Calls upon* Israel to restore and replace civilian properties, vital infrastructure, agricultural lands and governmental institutions that have been damaged or destroyed as a result of its military operations in the Occupied Palestinian Territory;

6. *Reiterates the call* for the full implementation of the Agreement on Movement and Access of 15 November 2005, particularly the urgent and uninterrupted reopening of all crossings into the Gaza Strip, which is crucial to ensuring the passage of foodstuffs and essential supplies, including construction materials and adequate fuel supplies, as well as to ensuring the unhindered access of the United Nations and related agencies and regular commercial flows necessary for economic recovery to and within the Occupied Palestinian Territory, and emphasizes the need for security for all civilian populations;

7. *Calls upon* all parties to respect the rules of international humanitarian law and to refrain from violence against the civilian population, in accordance with the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949;[2]

8. *Reaffirms* the inalienable right of the Palestinian people and the Arab population of the occupied Syrian Golan to all their natural and economic resources, and calls upon Israel, the occupying Power, not to exploit, endanger or cause loss or depletion of those resources;

9. *Calls upon* Israel, the occupying Power, to cease its destruction of homes and properties, economic institutions and agricultural lands and orchards in the Occupied Palestinian Territory, including East Jerusalem, as well as in the occupied Syrian Golan, and to prevent Israeli settlers from perpetrating such illegal activities;

10. *Also calls upon* Israel, the occupying Power, to end immediately its exploitation of natural resources, including water and mining resources, and to cease the dumping of all kinds of waste materials in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, which gravely threaten their natural resources, namely, the water, land and energy resources, and present a serious environmental hazard and health threat to the civilian populations, and also calls upon Israel, the occupying Power, to remove all obstacles that obstruct the implementation of critical environmental projects, including the sewage treatment plants in the Gaza Strip, and notably to provide electrical power needed for the work on the northern Gaza emergency treatment project, and stresses in that regard the urgency of the reconstruction and development of water infrastructure, including the project for the desalination facility for the Gaza Strip;
